Kiss and Drop

A reminder that the Kiss and Drop area is for pick ups and drop offs only. Please do not park and leave your vehicle in this area.

from the Principal's Desk

As part of our continuous school improvement we will be involved in an external school review with a review panel. The purpose of external reviews is to support schools to raise achievement, sustain high performance and positive quality assurance to build public confidence in government schools.

All government schools will be externally reviewed every four years.

The focus of the review is to evaluate school performance. The review panel consists of a review officer and a trained review principal. The review will occur on Monday 21st and Tuesday 22nd May.

We will find out the aspects of the school's improvement that have been verified through the review processes as well as the improvements that we need to make in the future.

During the external school review, some students, parents, governing council members and staff will be asked to provide information to the review panel in a number of ways. These include:

- Individual interviews
- Group discussions (with students or staff or parents)
- Meetings (usually governing council, staff meeting)
- Visits into classrooms.

We appreciate your support and time in helping us with this external school review process. Please complete the reply slip below and return to the front office if you do not want your child to participate.

If you would like more information please contact David King on 8381 2966.

BREAKFAST BELLIES

URGENTLY NEEDED - VOLUNTEERS - THURSDAY & FRIDAY 8.30-9AM

Government of South Australia
Department for Education and
Child Development

Around the School

PALS : Play at Lunch Time Leaders

Our Year 4 and Year 5 students are excited to be PALS. Before lunch they visit JP classrooms and invite the younger children to play games with them . It's a great opportunity for the older students to develop leadership skills and for the younger children to participate in structured games at lunch.

A Focus on RESPECT and Bullying

As part of the Health Curriculum, Keep Safe: Child Protection and the Personal and Social General Capability students participate in a social skills program called Second Steps. Included in this program is a focus on Bullying. The Bullying lessons include: Recognising Bullying, Reporting Bullying, Refusing Bullying and Bystander Power. Central to Bullying is RESPECT. Over the next 10 weeks we will promote the following positive behaviours of RESPECT including Acts of Kindness, Using Positive Language, Listening to Others, Including Others and Consideration of others (Empathy).

To support the implementation of this program we have organised SAPOL Officers to visit classes and talk about Bullying,

A letter outlining the Bullying Program in more detail will be sent home next week to all families.
