A volunteer's morning tea will be held on Friday, 7th December at 11:00am. This will be in thanks of the work and support many parents and grandparents have given throughout the year. Your efforts are much appreciated in assisting teachers and students in their learning process. Class teachers have provided the names of people who have volunteered their time in classrooms and invitations were sent home.

There is only a few days until "Christmas at Braeview" so please continue sending in your donations of non-perishables for the Christmas Giving Tree. All donations go to the Salvation Army Christmas Appeal. The evening begins at 6:00pm with a sausage sizzle and then Christmas items commence at 7:00pm sharp.

Braeview's wind down to the end of the year involves various class activities. Some spend the day at the pool, others spend time at the local park and others have a class party. If your child is involved in a class party please remember that Braeview is a Nut Aware School so please do not send foods that contain nuts. Thanks for your assistance with this.

Student reports are almost completed and will be sent home on the Monday of Week 9 (10th December). If you would like clarification regarding aspects of your child's report please make time to speak to his/her teacher.

Classes are almost complete and there is equity across classes. Students will find out their 2019 class when they have a visit on the last day. I believe all classes have caring teachers who deliver a quality teaching and learning programme so all students
