

Partnership

We believe that a strong and supportive partnership between school and families provides the best scaffolding for students' learning and wellbeing. Parents are encouraged to participate in the following:

- Classroom learning programs
- LAP- Learning Assistance Program
- SAKG- Stephanie Alexander Kitchen and Garden
- Resource Centre
- Sporting Teams
- School Events – Sport's Day, Grandparent's Day, Christmas at Braeview, Mini Fete, Book Week, Science and Mathematics Week
- Regular Junior Primary and Primary Assemblies
- Governing Council and Sub Committees
- Fundraising Committee
- Uniform Shop

Learning

Striving

Growing Together

Our Vision

Braeview School is committed to developing learners:

- who have confidence in themselves and their ability to achieve their personal best
- who have knowledge and skills to enable them to become responsible citizens in their local and global communities
- who have a positive approach to life and learning through valuing and developing strong relationships
- who are engaged in high quality, rigorous and inclusive programs

Technologies

Learning Areas are resourced with Apple Mac laptops and iPads. Digital Technologies are extensively used as a tool to support student learning. All learning areas are equipped with Interactive White Boards.

Our Values

At Braeview School we value:

- Respect
- Responsibility
- Resilience

When students demonstrate these values they exhibit **Integrity**.

Transition – Preschool to School

A positive transition from preschool to school involves:

- Positive and regular communication between school and preschools
- School Tours by appointment
- Discovery Tours Term 3 and Term 4
- Reception students visit local preschools
- Open afternoons at school for preschool children and parents
- Reception teachers visit preschools

Additional Programs

- SAKG – Stephanie Alexander Kitchen and Garden program is a focus for students from Year 3 to Year 5.
- Sensory Program is an intervention program designed to support students to develop their sensory motor skills through specific activities that target the 7 senses within the central nervous system.
 - LAP – Learning Assistance Program focusses on building student self-esteem and confidence.
 - Intervention focusses on developing phonemic awareness, oral language, fluency and comprehension.
- Christian Pastoral Care focusses on supporting students and families.
 - All Year 6 and Year 7 students participate in the school choir.
 - Students from R to Year 5 participate in a swimming program during Term 3. Year 6 and Year 7 students participate in an aquatics program at Port Noarlunga.
- National Heart Foundation – Jump Rope for Heart Demonstration Team.
